In beginning of the meeting a few verses of the Holy Quran were recited by the Dr. Muhammad Tariq. Later the Chairman briefed about the previous meeting and the agenda items of the 45th meeting of the Departmental Board of Studies was discussed.

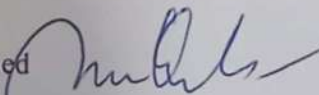

The key points discussed and agreed upon in the Board of Studies meeting held on August 2, 2024, in the Department of Entomology are outlined below:

1. In response to the SWOT analysis detailed in the SAR implementation plan, additional funds should be allocated through the relevant channels to enhance and improve the lab facilities for research and practical work for postgraduate students.
2. Prior to the BASR meeting and following the successful defense of a PhD student's synopsis, a briefing meeting with the Dean of the Faculty of Agriculture should be scheduled, covering the student's title, background, rationale, and other pertinent details.
3. It has been proposed that only officials holding a PhD degree should be authorized to evaluate the performance during PhD synopsis or thesis defenses to ensure a high standard of assessment.
4. The issue concerning the payment for PhD theses reviewed by foreign evaluators needs to be addressed urgently to prevent any delays in the review process.
5. The International Entomological Conference is scheduled for November 2024. Duties related to the conference will be assigned based on the needs as the event date approaches.
6. The list of foreign evaluators for PhD degrees has been updated to include current and relevant experts in the field.
7. The allocation of courses for the upcoming summer semester has been completed and assigned to the relevant faculty members.
8. The proposal from Mr. Shah Alam, PhD scholar in Entomology was presented and approved to apply for the provision of funds from ORIC, PMAS-AAUR.

Any other:

It is recommended that ICS students be given the opportunity to apply for the B.Sc. (Hons.) Agriculture program.
